Sir, 86896 ---- 31

SUB: Establishment - Amminidivi Islands - South Kanara District - Drawal of pay and Allowances of the Staff of the Government Dispensary, Amminidivi Island - Orders - requested.

***

I have to forward herewith copies of the letters*C.No.4820-E2/55 dated 8-6-1955 from the District Medical Officer, South Kanara, Mangalore and No.D.A.XVI/Medical-II/269- dated 13-8-1955 from the Accountant-General Madras regarding the procedure for the drawal of pay and Allowances of the Staff of the Government Dispensary, Amminidivi Island and to request that, in the circumstances stated therein, the Government, may be pleased to issue necessary orders permitting the Medical Officer, Government Dispensary, Amminidivi Island to draw the pay and Allowances of the staff from the funds or collections available with the Tahsildar, Amminidivi and disburse them to the staff in the island itself without having to come to the mainland.

Yours faithfully,

1 SEP 1955

Pk.26.8. For Director of Medical Services.

* Copy of letter from the District Medical Officer, South Kanara. Madras.

Ref: Letter dated nil from the Medical Officer, Govt. Dispensary, Aminidivi Island.

.....

Government Dispensary, Aminidivi is located in an Island called Aminidivi which is about 180 miles from the Mangalore Port (Mainland). The only access to this place is by country craft. These islands are also completely cut off during the monsoon for 4 months, i.e. from June to September every year. The pay and allowances of the staff attached to the Aminidivi dispensary is drawn by the District Medical Officer once a year and disbursed. The custom prevailing for a long time, i.e. when the post of Medical Officer was non-gazetted, for the drawal and disbursement of the pay and allowance of the staff is that the Medical Officer is permitted to come to the mainland once a year generally in the beginning of th April and stay in the mainland for a period of 21 days for drawal of arrears of pay and allowances for the period from 1st April to 30th September of the previous year, pay and allowances from 1st October to 31st March and advance of pay for 6 months from 1st April to 30th September of the staff and also for purchase of provisions for him. The pay and allowances will be disbursed by him to the staff in the Island andtheir acquittance sent to this office. The Medical Officer is paid Travelling Allowance for the to and fro journey and for his stay on the mainland as per T.A. Rules.

2. Recently this system is found impracticable to be adopted since there is change of Medical Officers posted to the Island every year. Further according to S.R.4 toTreasury Rule 32 the pay and allowances of the staff attached to the Govt. Dispensary, Aminidivi Island cannot be disbursed to the relatives but should be disbursed to one of the staff belonging to the same dispensary who has been authorised to receive the pay and allowances. Therefore one of the staff attached to the Govt. Dispensary, Aminidivi Island should be permitted to come to the mainland for the purpose and should be allowed to stayfor 21 days on the mainland. He should be paid T.A.

PTO.

2

for his to and fro journey as well as for his stay on the mainland. The pay and allowances of the staff to be handed over to such person will be about Rs.4,000/-. Now the question is whether ~~such~~ the sum of Rs.4000/- can be handed over to a compounder or Man Nursing Orderly, who comes to the mainland for the purpose as he has to hold custody of the amount for ~~the~~ about 180 miles in a country craft. I suggest that arrangements shold be made to draw the pay and allowances of the staff by the Medical Officer ~~x~~ from the funds or collections available with the Tahsildar of Aminidivi and disbursment made to the staff there itself.

3. Early orders in the matter, are requested.

2. Board's Ref.A.5615/55-1 dated 15.11.1955

The Medical Officer at Amini would require about Rs.330/- in a month for the disbursement of pay and allowance to his staff. But the monthly receipts at the Sub Treasury at Amini may not exceed Rs.100/- to Rs.125/- About Rs.125/- is required by the Deputy Tahsildar, Amindivis every month for meeting the incidental charges for serving midday meals to the poor school children in the islands for the payment of pension and also for payment to his copying establishment. Hence enough cash will not be available with the Deputy Tahsildar, Amindivis for payment of salaries etc. to the staff of the Government dispensary in the island. Therefore, the proposals of the District Medical Officer, South Kanara is not feasible. I have already informed the District Medical

Services about this in reply to a reference received from him in this regard.

The D.M.S requests the Govt to issue orders permitting the Medical Officer, Govt dispensary Amindivi Island to draw pay and allowances of the staff of the dispensary from the funds or collections available with the Tahsildar Amindivi and disburse them to the staff in the Island itself without having to come to the mainland (Mangalore) once in a year as has been done so far. The procedure that has been followed hitherto in the matter of drawal of pay & allowances of the staff of the Govt dispensary and the difficulties that are experienced in adopting the above procedure, are detailed in the letter of the D.M.O South Kanara on pp. 1-2 C.F. There seems to be no objection in the circumstances explained, to issue orders as requested by the D.M.S provided that the Tahsildar will have sufficient funds or collections with him for such diversion.
